Wines:

Alpha Zeta Corvina

Alpha Zeta Garganega

*This wine is produced under the direction of winemaker Matt Thompson, who pays grape producers by the acreage rather than yield. This incentivises quality rather than quantity of grape production.*

Cafe Sunlight is part of a social enterprise network that uses business to help change lives for the better. We support training, volunteering and work placements for people who otherwise might find it hard to get into work. We use fair-trade products and source food locally where we can from suppliers we know and trust. Cafe Sunlight is a trading subsidiary of Sunlight Development Trust, a registered charity which exists to tackle health and social inequalities in the Medway Towns. Profits from the catering business are reinvested in community projects across Medway. For more information visit [www.cafesunlight.org.uk](http://www.cafesunlight.org.uk)
