### **A letter of reference for Café Sunlight from the City of London Corporation**

Café Sunlight has collaborated at the Guildhall to showcase its quality catering for several City of London events, from small breakfasts to large conferences and lunches for over 300 people. From the point of contact to the point of delivery, they are a professional, efficient and well managed organisation.

Not only do they deliver delicious food, but using their catering service has the added benefit of supporting the community. We've had nothing but positive feedback from guests and are delighted to recommend them.
